GENERAL INFORMATION
— AND POLICIES —

Deliveries:

Deliveries are made to first floor or garage only. Rates do not include carrying equipment long distances. Extra charges apply for stairs, elevators and hills. Please let our delivery team know of any shortages at the time of delivery.

When renting a tent:

Be sure to have the exact location picked out before we arrive. Make sure there is enough space for tent guy lines and stakes. (Example: 20' x 30' tent requires a 30' x 40' area.) If you are unsure about what size tent will fit in your area, give us a call and we will measure it for you.

Check your area for underground water, power and irrigation lines. Please call Miss Dig several days before we arrive if there is any doubt on the underground. Check your area for overhead obstructions. (Example: tree branches, power-lines, etc.)

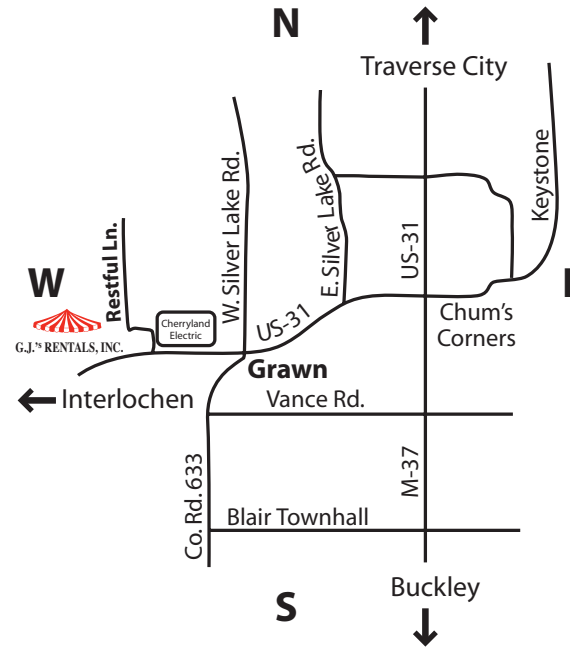

Pick-ups:

All equipment must be restacked and ready for pick-up in the same place delivered. A charge is added if equipment is setup when we arrive, or if there is missing or broken items.

China, Flatware, Glassware:

Must be repacked in same containers and returned clean. Extra charges will be applied for dirty, missing and or broken equipment.
